

# Your 340B Partnership with AcariaHealth

Maximize your impact  
with cost savings and  
service excellence

Since 2004, AcariaHealth has been serving Federally Qualified Healthcare Centers, Disproportionate Share Hospitals, Ryan White Clinics and other covered entities, helping them realize and maximize their 340B savings. Through our parent company, Centene, we have the unique ability to leverage the comprehensive solutions of the largest Medicaid managed care organization in the country. This unmatched experience and expertise, combined with our commitment to personalized service, makes us more than a contract pharmacy – we're a true partner in 340B.

Centene is a multi-line managed care company focused on serving uninsured, underinsured and low-income individuals.
