I authorize the receiving pharmacy to enroll me in a manufacturer-assisted patient support program, corresponding with my prescribed therapy for purposes of receiving additional services such as, but not limited to: injection training. I further authorize the release to the corresponding manufacturer the minimum necessary information about my health condition and prescriptions to: coordinate the delivery of products and services available through the patient assistance program, aggregate de-identified data for market analysis, and provide educational information regarding therapies. I understand that I may revoke this authorization at any time in writing by sending a letter to the pharmacy I understand that I may refuse to sign this authorization and that my refusal will not affect my ability to obtain treatment from the pharmacy. A copy of this authorization will be utilized with the same effectiveness as the original.

Patient Signature: _____ Date: _____

Prescriber's Signature: _____ ❑ DAW (Dispense as Written) **Date:** _____

Prescriber certifies that this referral form contains an original signature and is signed by the treating prescriber. NO STAMPED SIGNATURES WILL BE ACCEPTED. Where required by law, send electronic prescription or on official state prescription blank. In the event requested agent is not available through the receiving pharmacy, this prescription shall be forwarded to an eligible pharmacy.
